

RT Instruments, Inc.
...a world above the rest!

Bethel Co., Ltd.

Join us for two days of FREE educational seminars presented by Dr. Hatori of Bethel Co., Ltd.

What?

Day 1 November 17 1PM PST:

Topics presented on Day 1 will include the measurement of Thermal Diffusivity anisotropy and distribution, measurement of thermal diffusivity in minute areas, and measurement of thermal conductivity by TIM

Day 2 November 19 1PM PST:

On Day 2, Dr. Hatori will discuss the evaluation of carbon fiber orientation of CFRP and the measurement of thermal diffusivity

**Each day will feature a presentation followed by a Q&A session

Where?

These seminars will be presented via Microsoft Teams. A Teams meeting link will be provided to those who RSVP prior to the start of each meeting.

When?

The meeting room will open approximately 15 minutes prior to the start time of the seminar on each day. The presentation will run approximately 30-45 minutes, followed by a Q&A session.

RSVP

Click the link to RSVP via email. When sending your RSVP, please indicate which day(s) you plan to attend
